Is the GENUINE article. The word "sun cured" is so much abused that it means very little. There are many more pounds of tobacco sold as "sun cured" than could possibly be grown in the sun cured belt, and you are most likely to get a tobacco which is sun cured in name only! Your one certain guarantee and safeguard against imitations is to see that the tag bears the name Hancock Bros. & Co's Sun Cured. Made in 10c plugs, 5c cuts. CALL FOR THIS BRAND AND SAVE THE TAGS.
